

27" Curved Glass Countertop Refrigerated Showcase

ITEM: 43074

MODEL: RS-CN-0118-E

Showcase your products brilliantly while keeping it fresh in the best light.

This Curved Glass Countertop Refrigerated Showcase, built with durable stainless steel, is designed to boost impulse sales in convenience stores, supermarkets, seafood markets, and other small shops. Its sleek curved glass front offers a visually appealing display, while the compact design allows for easy placement and improved product visibility throughout your store.

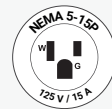

The unit features a digital temperature controller, illumination control, and a clear display, giving you full control over temperature and presentation. A direct cooling system and automatic defrost ensure consistent performance and easy maintenance. Additional features include adjustable feet, a swing door, and a curved front glass that enhances both style and function.

FEATURES:

- Digital temperature controller
- Direct cooling system
- Automatic defrost
- Stainless steel body
- Curved front glass door
- Adjustable feet
- Swing Door

(Unit does not come with LED Lighting)
